We are not disposed to put ourselves into no-
toriety, like some of our neighbors, as we believe that
actions speak louder than words; but intend that
all who give us a call shall be satisfied that better
bargains can be had at this establishment than at
any gas house in the city. These are some
genuine good articles at fair prices, and find the
place to be a safe one for those living in the
country, if they do not want to trade over
\$500 dollars money, by harnessing up their teams,
crossing here and getting articles there, will have
some satisfaction in wearing, instead of trading
with those Itinerant Israeltites who are now flood-
